## THE POWER OF HOPE IN HEALING

A company cornerstone is the **SPIRITUALITY** pillar; interfaith Signature Chaplain Corps. Full-time chaplains serve through bold listening, hope and humility, striving to meet residents, employees and family members where they are, at the point of their spiritual need.

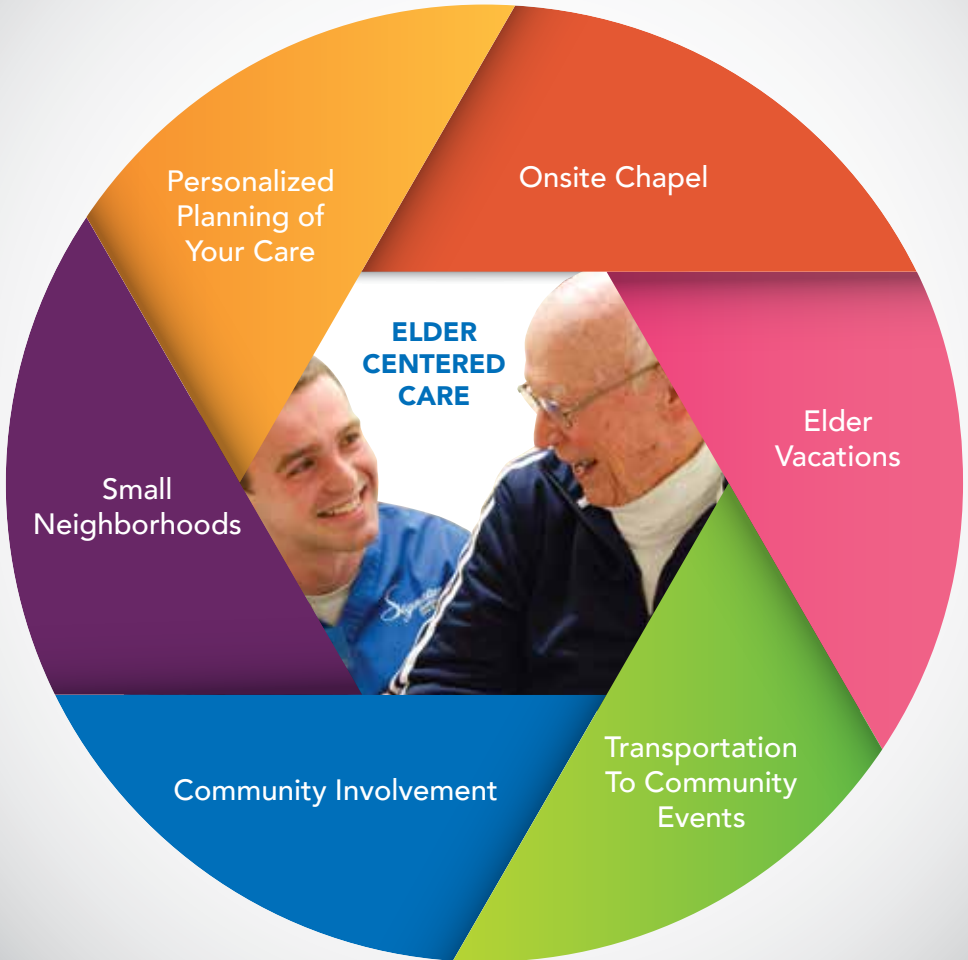

## MAKING A DIFFERENCE

The **INNOVATION** pillar was founded on the notion that great ideas can come from anywhere. Signature HealthCARE encourages stakeholders at all levels of the organization to be vocal about their ideas to improve the lives of patients and clients.

**RIGHT CARE,  
RIGHT TIME,  
RIGHT PLACE.**

A vibrant, wide-angle photograph of a downtown street in Pikeville, Kentucky. The street is lined with historic brick buildings, many with large windows and decorative elements. American flags are prominently displayed on poles and hanging from buildings. In the background, a prominent white clock tower with a blue dome stands out against a backdrop of lush green hills. The street is clean and well-maintained, with streetlights and flower baskets hanging from the poles. Several cars are parked along the side of the road, and a few people can be seen walking in the distance.
